date

**AUGUST 17, 2009**

location

**ERIC MARTIN  
PAVILLION  
190-2334 TRENT STREET**

time

**6:30 PM**

The story of one Métis woman's reconciliation with her past and her people—a coming to terms with loss and with the price that has been paid for assimilation, and a celebration of survival.

Film maker and First Nations Writer Christine Welsh is a Women's Studies Professor at UVic.

**antidote**

*a whole lot more  
than just  
a free movie* **Movie Monday**
